EMPOWERING YOUNG WOMEN: After managing Miss World Canada for 4 years, and 6 years in the pageant business, we launched the international edition BEAUTIES OF 5 CONTINENTS™, bringing forth bold changes to further empower young women while responding to modern-day pageantry demands and meeting the needs of modern contestants. To pave the way for their futures, contestants are provided a development program that consists of leadership and life coaching by world known mentors such as Anthony Robbins, Deepak Chopra and Christopher Howard as well as awarded a one-year Dale Carnegie Training scholarship, a world class leadership program.

MISSION OF OUR CONTESTANTS: Under the pageant’s new format each continent is awarded its own QUEEN and PRINCESSE giving in total 12 crown holders the opportunity complete 36 annual **POVERTY ELIMINATION** global projects by assisting various World Development Agencies. In addition, all delegates support their local charitable events with the prime focus of bettering the lives of some of our nation’s most vulnerable groups: underprivileged children with special needs. Together, under our renowned banner, we can showcase young women’s inner beauty as displayed through charitable acts and dedication to global causes. Our pageant prides itself on its philanthropic focus, known to have donated up to \$85,000 per year to VARIETY – The Children’s.

2018-2019 YEAR OF MENTAL ILLNESS: Contestants and crown holders will dedicate efforts by giving lectures in schools and various other events to bring awareness of this unfortunate epidemic, where approximately 1 in 5 experience mental illness. Extensive research with dedicated professionals have provided alternate and effective solutions. Therein, the challenge is to help the victim, through a trusted acquaintance, realize that he or she is not alone and there is treatment for better life. Most victims don’t recognize the illness and don’t like to be told that they need help.

SOCIAL RESPONSIBILITY: To continue this tradition, we call upon the support of local and national companies in joining these young women on their life journeys to represent our nation with pride and grace. Without the help of the community, this wonderful drive to empower these young women and the philanthropic work would be hard to achieve. We, at BEAUTIES OF 5 CONTINENTS™, extend you a warm invitation to join our cause as a Sponsorship Partner. By participating, you can combine corporate social responsibility, with entrepreneurial pragmatism, thereby making a sound decision that will benefit your local community, your nation, and, undoubtedly, your business, with sincere human compassion.

BEAUTIES OF 5 CONTINENTS™

“Beauty dedicated to fighting poverty worldwide”

REWARDING OUR CONTESTANTS SHAPING THE NEXT GENERATION OF INFLUENTIAL WOMEN

Each of our contestants – whether she becomes the Queen, the Princess or esteemed participant – occupies an influential position within her community and within the nation at large. Our delegates enjoy world recognition that opens doors to a slew of bright possibilities, yet we at BEAUTIES OF 5 CONTINENTS™ strive to find more ways to reward our contestants for their dedication. In that spirit, our organization was thrilled to introduce two new features for the year 2012: The Development Program and the Pageant Roster.

During the course of the pageant, we form deep relationships with all of our delegates. It is important to us that the connection we make with each contestant, not just the Queen, continues long after the pageant year has ended. As a hallmark of our long-term commitment, each BEAUTIES OF 5 CONTINENTS™ delegates will be placed on our exclusive BEAUTIES OF 5 CONTINENTS™ Roster. For as long as she chooses to remain on the roster, each young woman will be marketed for contractual opportunities in film, talent, hosting, and modeling.

Self-improvement coaching via the Development Program will also be available at no charge to all contestants for as long as they wish to stay on the roster. The Program allows contestants to learn valuable life skills, gain knowledge and experience that will help them with job prospects, encourage them to discover and secure desirable side projects, and ultimately prepare themselves to enter the corporate world. This program has attracted the attention of internationally renowned coaches, each with a special interest in contributing to the development of our young generation of world ambassadors. The tremendous international exposure our contestants will gain from being featured on the roster, coupled with the life skills they will learn through the Development Program makes its difficult not to visualize the doors of their bright new futures swinging wide open!

Shortly after his 2012 takeover, the new Chairman set to work to bring our mission statements to life: “Our goals are not just words we put on paper; they are vows that represent the very essence of who we are and what this pageant is about”. Indeed, with 2012’s new administration, new direction, and unsurpassed pageant production, our pageant has effectively reintroduced itself to the world. As ambassadors of our proud country, we will take the international stage by storm, leaving a mark of difference through our engagement with the young generation via our contestants, as well as through our partnership with world development agencies and universities – both of which offer extensive international networks. Our message moves young adults to do the most beautiful thing anyone can do: to help others. In their hearts and in their actions, the next Queens and Princesses will share our belief that those of us who are blessed with knowledge and time should give back to those in need.

To continue this tradition and help contestants embark on their journey, the support of our sponsors is just as vital as that of their family, friends, and community. We offer you an opportunity to join these women in their journeys, helping them in creating a better future. Your generosity and kindness will greatly be appreciated in making this a reality. If you have any questions, please feel free to drop us a note at info@beautiesof5continents.com or visit our website www.beautiesof5continents.com.

Message from Minister of Justice and Attorney General of Canada
formerly the Minister of National Defence – Peter MacKay

***A Message of Greetings
to the Participants, Organizers and Attendees
of the Crowning Gala
Celebrating Beauty with a Purpose***

They say beauty comes from within, and the successes of Beauty with a Purpose do, indeed, come from within the hearts and minds of its many advocates. They also say beauty is fleeting. Beauty with a Purpose, however, has been making an enduring difference in lives in communities around the world for 41 years.

Beauty with a Purpose is the heart of Miss World, literally and figuratively. Miss World participants, working with their Miss World national organizations, have established Beauty with a Purpose projects in more than 100 nations. Every year these projects, in turn, give many thousands of young women a chance to use their abilities to make lasting contributions to the lives of children, of the sick and disadvantaged, in their communities and districts and provinces.

Variety, the Children's Charity, has been closely associated with Beauty with a Purpose for many years. Beauty with a Purpose has provided funding for cleft palate teams in South America, Sri Lanka, and Russia. It has sponsored three fundraising tours to support abandoned and neglected children in Vietnam and supplied long-term support for the Nelson Mandela Foundation in Africa and for Operation Hunger.

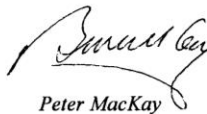

The young women who participate in Miss World are already movers and shakers and shining examples in their communities. They volunteer in local nursing homes. They strive to eliminate dietary deficiencies among the children in their district's schools. They volunteer with local branches of international agencies such as The Lion's Club and Children in Need, and many others.

As Miss World contestants and winners, their celebrity and the visits they make worldwide help to raise money for local charities, regional groups, and international organizations.

These women strive to make the world a healthier, safer, and more nurturing place for children, for the sick and disadvantaged, for the disenfranchised. These are women of purpose.

At this gathering, and around the world that these young women are bettering, there are only winners.

On behalf of the Government of Canada and the Department of National Defence, I extend my heartfelt appreciation and very best wishes to these women of purpose, and to the organizers, sponsors, and citizens around the world who guide and support their work.

Peter MacKay

To Whom It May Concern,

As the Chair of the Miss World Canada organization, Ike Lalji set out to make a difference. Not only would he ensure that young women across the country had the opportunity to represent Canada as ambassadors on the world stage, but would make a notable contribution to society through humanitarian efforts.

“Beauty With A Purpose” is a unique proposition to the Miss World Canada organization; delegates fundraise for Variety - The Children's Charity, and through this process stand as leaders in their communities, inspiring others to help children who have special needs.

Over the past five years, the Miss World Canada delegates have raised more than \$300,000 for Variety. The funds go towards providing life-saving medication and emergency trips to out-of-community hospitals; life-changing mobility and communication equipment and therapies; and life-enriching bursaries and therapeutic summer camps. Variety sees each child as a champion and supports them in their quest to reach their full potential. Thanks to the vision and direction of Ike Lalji, more children who have special needs will be able to achieve their own little victories.

Ike Lalji understands leadership. He values dedication. And he knows the power of a caring heart and a commitment to giving back. Variety has benefitted significantly through his support, both through funds raised and awareness of its cause. We are honoured to recognize Ike Lalji for his valued contributions.

Sincerely,

Bernice Scholten
Executive Director

OPTION-ONE \$1,000: A full day dedicated to your company during the pageant week. Pageant week is the week before the finals when girls are training and rehearsing for the final day. One chosen day, girls can wear your T-Shirts, take a group picture around your banner and with your representative, The training area could be highlighted with your vertical banners, girls could say something about your company and all this can be posted on our social media.

OPTION-ONE \$2,500: Girls come to you, to your business. Here are links to 3 examples: [MICROSOFT - HOLT RENFREW](#) – [MSC CRUISES](#). If you have a business that needs additional market exposure, here is an example on how you can benefit from such a powerful opportunity that will instantly boost your revenue. This service is available year-round across all major cities by BEAUTIES OF 5 CONTINENTS™ Contestants or BEAUTIES OF 5 CONTINENTS™ Models.

Let’s say on your less busy night at your restaurant you choose to hold a “PR” event. It can start by you hanging a large banner a couple of months prior, to announce that you will be hosting a Meet & Greet event with the girls from BEAUTIES OF 5 CONTINENTS™ on a specific day and time, requesting guests to book their reservations. In the meantime, you invite some prominent guests, and plan some entertainment, including talent by the BEAUTIES OF 5 CONTINENTS™ Contestants. Press is invited by you and BEAUTIES OF 5 CONTINENTS™. Your aim is to fill the establishment and generate talk, so you prepare a red carpet outside with our girls to garner curiosity. The impact of this event will boost your business as BEAUTIES OF 5 CONTINENTS™ Contestant Facebook pages and other social media channels have a reach of over one million viewers. Pictures and comments posted from the Delegates will make lasting impressions on people putting your restaurant as their next place to visit. BEAUTIES OF 5 CONTINENTS™ will leave you a plaque and group picture that will become a lasting memory of that special night and will remind your visitors that your business contributed to the causes of BEAUTIES OF 5 CONTINENTS™. Your business will be credited with supporting children with special needs worldwide and empowering our young women. We promise that these same principles can be applied to any business (Spa, ice cream parlor, etc.) to yield the same degree of popularity and success.
